

COVID-19 STATEMENT

Over the past few months we have all faced very uncertain times but there is light at the end of the tunnel. Back in March, we followed the government guidelines and closed our hotel doors to help tackle the spread of COVID-19, ensuring the safety and wellbeing of our employees and guests was at the forefront of our priorities.

Three months later and the world is a better and safer place, meaning we can slowly but surely welcome back our delightful guests to the Roslin Beach Hotel.

We want to assure all of our guests that we will be undertaking strict health and safety measures before and throughout your visit to bring back the serenity of our beautiful seaside hotel. We will explicitly follow the Government guidelines that are under constant review. Therefore, we may have to cancel your booking if we cannot open on the 4th July and all deposits/payments made will be refunded.
