TEA SELECTION

SHERBET PIP

A mouth-watering infusion of crisp citrus fruits and apple. For a touch of nostalgia, add a teaspoon of honey for a reminder of a sweetshop favourite.

CHOCOLATE CHAI

The perfect balance between the spiciness of chai with the sweetness of chocolate.

Delicious when served with frothy milk

SENCHA GREEN

This fresh green tea really packs a punch when it comes to health benefits.

It is rich with antioxidants and contains vitamins and minerals that can provide a considerable boost of energy.

PASSION FRUIT & ROSE

Pale pink in colour and delicate in flavour with a hint of Passion Fruit. Passion Fruit & Rose is a refreshing brew that is amazing served cold.

CRÈME BREWLÉE

A brew that is both creamy and sweet but with no cream nor sugar added.

Seemingly decadent in flavour this is packed full of functional herbs and spices including rooibos, turmeric and ginger.
