130 Château d'Yquem 2003 Bordeaux France 65 180\*

\*37.5cl half bottle. Chateau d'Yquem is often described as the greatest sweet wine in the world. After centuries of family ownership, Yquem was finally sold in acrimonious circumstances to Louis Vuitton-Moët-Hennessy in 1999. However, its former owner and director Alexandre de Lur-Saluze remains in charge. Yquem is located on the highest hill in Sauternes and enjoys the best growing conditions in the whole appellation. Only fully botrytized fruit is picked by the 150 highly skilled pickers and yields are so low that each vine produces only one glass of wine. Yquem is fermented in oak barrels (100% new) and is left in barriques to mature for up to 36 months. Intensely opulent when young, Yquem develops an extraordinary complexity and exotic richness when fully mature, with the best vintages lasting for over 50 years. Château d'Yquem is classified as a 1er Cru Classé supérieur.
